

Enjoy the City

Dear Parents and Friends:

The Band Boosters Association of Stow-Munroe Falls High School is sponsoring an "Enjoy The City" sale to help support our band program. "Enjoy the City" is a coupon book that offers hundreds of 'buy one get one free' discounts, along with many other great discounts.

At the low price of only \$20 the book will pay for itself after being used just 2 or 3 times.

For each "Enjoy the City" book sold at \$20 you earn* \$8.00.

* Note that the profit will increase to \$10.00 when we sell over 350 books.

BONUS! BONUS! BONUS! BONUS! - For every 5 books a student sells he/she will earn 1 book free! If the student sells this free book they will earn a \$20 bonus. Sell 10 books and earn 2 free books - sell 20 books and earn 4 free books.

The profits from this sale will go into the student accounts.

Sale details –

- A sample coupon book and order form/envelope is given to each student.
- The sample coupon book is for display. When you are finished with the sale you will use it as one of your sold books – so take good care of it.
- Students – please print your name clearly on the envelope. The envelope will be returned to you with your order.
- Write the name of each person who purchases a book on the order form located on the back of the envelope.
- Money is to be collected when orders are taken; full payment is to accompany each order. Make checks and money orders payable to: **SMF Band Boosters.**
- You can sell coupon books for other cities too! Have your out-of-town customers look at the www.EnjoyTheCity.com web site where they can preview coupon books for other cities. Then you add their name and the city of the book they want to your order form located on the envelope and place their payment inside. The book will be included with the rest of your order.
- **Monday January 4th – RETURN THE ENVELOPES WITH ORDERS & PAYMENTS TO THE BAND OFFICE** (or the unsold book). Your orders will be filled within 10 business days of the return.

Students, remember that this is not meant as a door-to-door sale to strangers. Your safety is our first concern. Sales should be made to family, friends and neighbors. Ask your parents for support by taking your order form and sample coupon book to their place of employment.

If you do not sell a coupon book – you must return the sample book loaned to you.

IT MUST BE SOLD OR RETURNED OR YOU WILL BE CHARGED FOR IT!!

Thank You For Your Support
