

Musician Of the Month

We have started our Musician of the Month contest. Our first monthly winner will have the highest number of stickers from September and October combined. Please encourage your child to try to average 2 stickers per week. We have set this quarter's goal at 8 stickers per month. One change this year is that we have included a place to record practice minutes right on the sticker check off sheet. Practicing 100 minutes will still earn one sticker; however, 20 additional minutes of practice in that week will earn a second sticker! Many have taken advantage of this. Please fill in the practice minutes (even if it is less than 100), sign, and turn in on you lesson day. We will be collecting these sheets weekly for quarterly grade input. Here is an example of the sticker check off sheet if you haven't seen one come home yet. Thank you for your support and encouraging your child at home!

Mr. Monroe

Mr. Newman

Mrs. Sandman

Name _____

Date _____

Assignment _____

Day 1	Day 2	Day 3	Day 4	Day 5	Day 6	Day 7	Total

Practice for 100 minutes in one week = 1 sticker
