

Good evening!

On behalf of the Stow-Munroe Falls School District and the Stow Band Parents Association, tonight we welcome you to "Pull up a chair and be our Guest" as we share with you our "Tale as old as time."

We are extremely grateful to everyone who continues to support our band and its programs. Thank you for making us a "Part of your World" tonight. Without your help, we would not be able to provide music, instruments, uniforms and equipment to the many students in our band program. The Stow-Munroe Falls music programs support over 500 students in grades 5 – 12. A special thanks to Co-chairs Kem Cook and Kelli Staats for all their work in organizing this event and to all the parents who volunteered to help make this event so amazing. We also wish to thank Chris Schrickel for being the "Voice of the Band," and Shearer's and Amanda Sutton at ACME Fresh Market of Stow for water and snacks distributed to the bands.

We would like to thank all the band members and directors for tonight's magical performance! The band is excited to "Let it Go" for you tonight.

Thank you for coming this evening. Enjoy the show and "May the Fourths be with You"!

Sincerely,  
Joel Biggs  
President, Stow-Munroe Falls Band Parents Association
